ORDERING INFORMATION

DELIVERY REQUIREMENTS

Jobsite or yard location must allow truck access to and from the site. Drivers agree to curbside delivery only. Drivers reserve the right to refuse delivery due to unsafe or inaccessible conditions. Customer will be responsible for all charges incurred for a delivery attempt. Average pallet weight is approximately 2000-4000#. Pattern and dimensional pallets may weigh up to 7000#. If customer is off loading, appropriate equipment must be available at delivery location.

SAMPLES

Samples provided are representative of the product, but due to the natural variation of stone, the actual product furnished may vary from sample.

PAYMENT TERMS

Pricing is based upon established terms or COD. All claims against invoice must be made in writing within 10 days after receipt of goods. All past due accounts will incur a finance charge of 18% APR (1.5% per month) for all invoices 31 days past due. A service charge of \$35.00 will be applied for all returned checks. Past due accounts will be closed until balance is paid in full.

GENERAL INFORMATION

- Pricing is for full pallets only.
- Lead-times will vary based on material, weather conditions and transportation availability.
- Customer is responsible to inspect load at time of delivery or pick up.
- Quarry Connections LLC recommends the purchase of all material required to complete a project to maintain color consistency.
- Stone is a product of nature and will vary in color, markings, and texture.
- Coverages provided are averages and may vary depending on project, setting style and joint size.
- Special orders require an approved proposal and a 50% deposit at time of order.
- Special orders are job specific and cannot be returned.
- There is a 25% restocking fee for all materials returned in their original & saleable condition.
- Quarry Connections LLC is not responsible for installed product.
- Prices are subject to change without notice.
- Fuel surcharges may be added based on market conditions.
